KEY STEPS OF THE INVENTION PROCESS

Learn about each step of the process, and all the fun and hard work that goes into inventing.

To invent you have to:

1. **Think It**
   - Have a great idea for an invention.

2. **Explore It**
   - Investigate inventions and ideas of the past.

3. **Sketch It**
   - Draw pictures and diagrams to figure out how your invention might work.

4. **Create It**
   - Build a prototype or model of your idea.

5. **Try It**
   - Test your invention.

6. **Tweak It**
   - Keep improving your idea.

7. **Sell It**
   - Market your invention to people who might buy it.
